

WAKE UP AMERICA. Chaplain Robert Canfield tells Antioch residents here Sunday in Memorial Day address at the village park. Chaplain Canfield, of Great Lakes Naval Station, claimed that American's must fight the challenge of Communism "or not meet here next year" in Memorial services.

'Wake Up To Challenge Of Communism' Say War Dead

A gathering of residents in Antioch's Memorial Day services Sunday heard Chaplain Robert A. Canfield plea for Americans to "Wake up to the challenge of Communism."

He read a list of fallen comrades of his in World War II then asked what they would want to be remembered for. They would not want their patriotism lauded or even to let them know that their sacrifice was not in vain.

"WAKE UP, WAKE UP," cry our fallen, he said. "Wake up, or don't bother to gather once a year to honor my memory... for if you continue to sleep your hearts are not really with us and you gather only by tradition."

The chaplain read a report from the chief of the Red Chinese Intelligence unit in Korea which said that more than one third of the American soldiers were "weak in loyalty to his family, his community, the country, his religion and his fellow soldiers."

Then the chaplain asked "Can we seriously honor the memories of our fallen comrades if we continue to be indifferent or complacent about the evils of Communism and how it can destroy even the will to live?"

HE ASKED THE audience to face the issues squarely and honestly.

He called for better training of youth in faith in the country, in the church and in themselves.

"This training must be filled by you and me personally. There is no use to meet here next Memorial Day unless we take this challenge seriously and personally," Chaplain Canfield said. "They died that we could stand here today."

The chaplain spoke after a parade through town at which the grade school band played. The traditional services at the park included firing of a salute to the war dead, playing of taps and laying of a wreath at a memorial plaque by a gold star mother.

FOLLOWING THE ceremony, a joint presentation by the Antioch

American Legion and Veterans of Foreign Wars Posts, residents moved to Main St. to see Miss Mary Kay who was slated to go upon a platform and stay until July 4.

The entire parade and the Lions Club sponsored stunt was described in an hour program over Waukegan radio station WKRS. The station will broadcast daily from Main St.

\$ and Cents of L. Villa Operations For Year Traced in Annual Report

Part of the price of progress was traced at the Lake Villa village board meeting Monday night as the annual report was read by the village accountant.

While income increased to \$20,972, the highest point in the history of the village, expenditures also rose to an all time high to \$20,573. The transactions of running the village left an increase of 399 in the general fund at the end of the year.

COMPARATIVE FIGURES show that just four years ago, the village was getting along on revenues of \$13,094 and it cost only \$8,347 to run the community, leaving a surplus of \$4,747.

Itemized, the comparative figures show that income is going down on rents and fines, going up on building permits and sales taxes and remaining about even in licenses and taxes.

21 to Graduate at Wilmot Catholic School

Graduation ceremonies for 21 students at the Holy Name of Jesus Catholic School will be held Thursday at Wilmot, Wis.

The Rev. Harold H. Herbst, pastor of the Holy Name of Jesus Church, will present the diplomas in services beginning at 7:30 p.m. in the new school.

Demo Rally Sunday at Lake Villa

Dick Kahn, Democratic candidate for state's attorney, will speak Sunday afternoon, June 7, at 3 p. m. at the VFW hall in Lake Villa.

The occasion is the monthly meeting of the Chain O' Lakes Democratic Club, which represents Antioch, Lake Villa, and Grant townships.

EARLIER THAT afternoon, at 1:30 p.m. Kahn will engage in a radio debate with his Republican opponent, Bruno W. Stanczak, over WKRS, Waukegan.

Next Wednesday, June 10, Kahn will appear with Stephen A. Mitchell, former national chairman of the Democratic party, at a rally in Waukegan. This meeting will be held at 8 p. m. in the VFW hall on S. Utica St.

Booze Boat Mixing Arrest After Accident

Booze and boats don't mix and are against the law. Earl Rich, Prospect Heights went to jail and should be thankful for it, Antioch officials said this week.

Rich was piloting a boat in Petite Lake Sunday when it overturned dumping him and three children into the waters. The children, Tommy, 5, Donald, 10, and Elaine, 8, were treated in Antioch Clinic after the Rescue Squad hauled them from the waters.

The driver was placed under arrest on a charge of drunken and reckless operation of a motor boat by Deputy Sheriff Boyd Dutcher. "It was a narrow escape for all," one official said.

Village Board Voices Need for Complete Ordinance Revision

Members of the Antioch Village Board spoke out for a complete revision of the town's ordinances to bring the laws up to date. They agreed that the revisions would come in order of their importance and first to be stiffened would be a health ordinance.

Concern of the board was brought into focus on this problem when requests for hot dog stands in the town had to be passed over because the board has no power to grant or disallow such requests with present laws.

LAST MONTH, two persons asked for permits to install hot dog stands on business property during the summer months and the board tabled the matters. Tuesday night two more persons appeared to ask about the legality of the stands. Two already have been set up.

Fred Swanson, a property owner of lots at Spafford and Lake Sts., had agreed to let a couple install a stand on his property but the couple withdrew voluntarily and set up elsewhere, when word of a petition of protest from nearby residents reached them. Swanson questioned what was in the petition which Mayor Murrill Cunningham read. It listed a probable decline in property values and anticipated rubbish and litter.

SWANSON THEN asked the board if it did not feel that the persons who had planned to run the stand had been declared guilty before they were given a chance to prove otherwise. He said he wanted to help the young couple and pledged to keep a clean lot, standing on his background of running clean and popular business in Antioch for many years.

When told that the village could not deny nor grant permission for such stands, Swanson asked if that meant he could put up a hot dog stand or any other business "as long as it is in keeping with the fire code and all other village ordinances." "I assume so," answered Bernard Osmond, chairman of the licensing committee.

CUNNINGHAM TOLD the board that Attorney Ed Jacobs will be instructed to draw up a food ordinance soon and be prepared to present it at the July meeting of the board. Then the village can control any type of establishment selling food to the public.

In other business, the board passed a resolution to let the Grass Lake Boy Scout troop conduct a

Predict More to Die Due to Carelessness

The death of a Chicago woman in a boat fire at Squaw Harbor, on a channel leading to Lake Marie, Saturday evening, signaled a grim opening of the summer season in the lakes region. It also brought a prediction from some resort owners and public officials that this year would be the biggest ever in amount of people, boats and accidents, even possibly deaths on the lakes.

Dead by drowning in the explosion and resulting fire was Mrs. Florence Albert, 34, of 5514 So. Newland, Chicago. She and 11 others were on a brand new 22-foot cabin cruiser and all were thrown into the water. All but one person had on life-jackets and it is said Mrs. Albert did not know how to swim or stay afloat.

THE BOAT SANK in about 10 feet of water after burning and it was almost an hour before the Antioch Rescue Squad could locate the victim's body. The assistance of a skin-diver from Fox Lake was recruited.

All others in the accident were taken to the Antioch Clinic to be treated for burns and an 18-month-old baby, Russell Albert, was taken later to a Waukegan hospital. He was said to be recovering Wednesday.

Another Chicagoan drowned near the Wisconsin-Illinois border in the Fox River on Sunday—the second in the week below the Wilmet dam.

The victim was Matthew McGuire, 63. He drowned after he fell from a fishing boat, sheriff's deputies reported. He was alone.

A LONG-TIME FAN of fishing near Wilmet, McGuire was with four other persons on this angling expedition but they had gone back to the car to sleep while the victim went out alone. McGuire was missed the next morning and it was not until about 8:30 Sunday night that his body was found about 100 yards south of where the empty rented aluminum boat was located.

Several other incidents on the lakes over the Memorial Day weekend brought out rescue squads and fire departments.

Resort owners who see all the activity on the lakes, told The Antioch News that the fast-growing popularity of boats and seemingly less amounts of care will bring a great many accidents this year. Several owners, who rent boats, decried the lack of necessary and ambiguous laws and lack of enough police supervision.

information about the recreation sites in and around your town?"

"HOW DO YOU TALK about your community?" he asked.

Your opinion of your town appears in the homes, businesses, on the streets, and is reflected by the way its people talk about it, Trimble said.

"The community must assume the leadership," said Trimble, "and it cannot be provided by a member of a committee working in his spare time. In most cases, it comes from some retired businessman of the community who has the necessary civic pride to carry through on the job."

'Sky-Queen' Goes Up Wednesday For 31-Day Stay

She was delayed, but she went up Wednesday morning to begin a 31 day stay on a platform high above Antioch's business district.

She is dark-eyed Mary Kay, the television entertainer who began a flagpole sitting promotional stunt for the Antioch Lions Club. The event is a buildup for a gigantic Fourth of July celebration here at which some 20,000 people are expected.

MISS KAY WAS originally scheduled to go up on Sunday following the Memorial Day services in Antioch but workers from the Lions Club could not get the platform, 40 feet above the street, finished. So the ascent was postponed until Wednesday morning and with some 30 curious people looking on, she went up a ladder to her perch.

Part of the promotion is an hour-long radio broadcast daily from station WKRS in Waukegan. The broadcast time is from 2 to 3 p. m.

SHE WAS NERVOUS Wednesday afternoon for her broadcast, but carried through like a true showgirl as Dick Hawkenson of the Lions Club conducted an interview.

Plans are to have Mary Kay involved in many events in downtown Antioch during her stay up high. John Dupre, chairman of the committee which arranged the promotion, says that a fashion show and dance contest are being planned. People will be able to talk to her after a special street-to-platform telephone is installed.

Miss Kay will receive letters also and invites folks to write to her, Dupre said.

She has been dubbed "Queen of the Skyline" by the Lions Club.

Hope Ernie Banks, Other Celebrities Will Open Softball Park, Season

A grandstand-full of celebrities, including probably Chicago Cubs' baseball star Ernie Banks, will be on hand to launch the second season of the Lake-Keno Men's Softball League Tuesday night.

The league will start the season with a double header at 7:30 p.m. June 9 in its new park built and donated by Mr. and Mrs. Les Huff of Salem, Wis. The park is on Rt. 83, two miles north of Antioch.

NINE TEAMS are lined up for the season and will play eight games each in two months of play. Complete report on the league is on the sports page of this week's Antioch News.

It is hoped that Ernie Banks will be on hand to toss out the first ball but officials of the league have been assured that at least some Cub ball-players will be there if Banks can't make it.

In addition to the ball players, the Kadettes Drill Team from Lake Villa will perform along with the previously announced "King of the Banjo" Larry Tobler who will give out with imitations, novelty tunes and trick playing. Also performing will be Henry Maar and an act with "fabulous balloons."

STATE REPRESENTATIVES from Lake and Kenosha counties also will be on hand as well as Edward Tiede, supervisor of Lake Villa Township. The Lake Villa Auxiliary police will handle parking and Kenosha County and Wisconsin State Police will supervise traffic flow.

The opening is being given over to the United Cerebral Palsy fund drive with a collection being made for the Lake and Kenosha counties' funds. On hand also will be John Scuto, national chairman of United Cerebral Palsy.

The hopes for getting Ernie Banks' appearance will complete the dedication to Cerebral Palsy says Dr. Richard Carlucci, secretary of the league. Banks is Cub representative for the cerebral palsy funds.

SPECIAL TRIBUTE to Mr. and Mrs. Huff also will be made, Carlucci said as they have donated and built the park. They are owners of the Golf View Motel and Tavern on Rte. 83.

There will be no admission charge for the opening or any softball event there this season and there will be lots of parking space and room to sit down, Dr. Carlucci said.

Playing the opening games will be Jim Brodie's Sinclair team versus the 1958 Antioch Men's Softball League champions, the Antioch Bowl team. Jack and Jim Brodie, former Chicago softball stars and Jim Scully, a former Antioch High School athlete perform for the challengers and Bob Becvar, manager, and Billy Grennell, former Grant High School three sport star play for the defending champs.

IN THE SECOND game, Huff's own team, the Golf View Motel squad which was runnerup in the round robin tourney last year, will meet Dr. Carlucci's Chief's Athletic Club, runnerup in the 1958 season play. Bill Vos and Jack Palmer are the men to watch on the Golf View squad while Bob Oddison, Ern Lawrence and Jack Larson star for the Chiefs.

After the opening game, there will be doubleheaders at the park every Tuesday, Wednesday and Thursday nights during the summer. There are now nine teams signed up for play and Dr. Carlucci promises that most teams are even in experience and ability to make tight race in the fast sport.

MARY KAY SAYS hello to Northern Illinois in a radio interview on Antioch's Main St. She was here Sunday after the Memorial Day services to go up on a flagpole platform for 35 days. However the ascent was delayed because the platform was not completed and it was Wednesday before she could become a resident of Antioch. Here Joe Petrovsky, (left) president of the sponsoring Lions Club, holds her fluff gift while WKRS announcer conducts the interview.

DEAR READER News Editorials

100 Days Of It

The 100 days from Memorial Day to Labor Day this year will provide a serious challenge to the driving skill of area motorists. It is estimated that during this period, motorists will travel almost 10 billion miles over Illinois streets and highways alone. Vacationing drivers always add greatly to the volume of traffic on our highways during the summer. Unfortunately, this increased summer-time traffic invariably results in more highway accidents, deaths and injuries.

In this state during the three months between Memorial Day and Labor Day last year, 467 persons were killed, and another 27,339 were injured in the 51,818 reported traffic accidents. State and local traffic authorities are determined to reduce that toll this year.

They have endorsed the nationwide "Slow Down and Live" program and are participating actively in the speed control campaign.

"Can You Stop In Time" is the theme for the summer-long safety program. Safety-minded public officials and civic leaders throughout the state are urging each driver to participate in the program by regulating speed according to conditions.

The success of the program will depend entirely upon you, the driver. Whether you spend a safe, pleasant summer of motoring depends on whether you "Slow Down and Live."

As more and more vacationing Americans take to the highway each year, this vacation-land rapidly is becoming the "crossroad of the Nation" in motor travel.

Attracted by excellent travel facilities, countless rivers, forests, innumerable campsites and a fine network of roads, more than 10 1/2 million vacationers visited our area last year.

We extend a hearty welcome to all travelers and offer them one of the best and safest systems of highways in the country.

We ask only that our residents assist the visitors by obeying our rules for safety. Courtesy, caution and common sense should be the guide, "Slow Down and Live" the motto.

Hope Everyone Gets Promotion-Minded

An ambitious Lions Club in this community has been the spark-plug for many civic events and now has undertaken the largest project in the history of the town since the Soo Line came through.

The July Fourth show and its accompanying promotion is designed to give the people a good time as well as help to pay for the swimming pool through profits. The untold amount of favorable comment it will give the town is only a by-product.

One would think that with such a grand-scale promotional event, all residents and all Lions Club members would be enthusiastically behind the project. But not so, for there are disparagers, even within the ranks of the club.

Any promotion costs money, and the larger the promotion, the more it costs. Probably there are some, who wish this project will fail but if it does, the whole community will suffer.

Let us hope that if any project fails, it will be because of its own weight and not because some persons were dragging their feet.

IMPRESSIVE CEREMONIES at the Lake Villa park honoring dead of all wars attended by more than 500 persons last Saturday. L. E. Colbert, principal of the Lake Villa school here gives the major address which followed a parade through the village.

People, Govt. Make America Great Country

(Editor's Note: The following is the winning essay in the annual contest sponsored by the Veterans of Foreign Wars Post 4308 in Lake Villa. This year's winner in the third annual contest, is Lavonne Larson, 14-year-old student at Lake Villa Grade School.)

By Lavonne Larson
What makes the United States great?

Is it the tall, majestic skyscrapers which line New York's avenues, or the beautiful prairies of the west? Could it be the forests which stand so tall and green?

TO ALL THESE questions I answer "no." These may be reasons to some people, but to me they are not.

What, then, makes our country really great? Our government! We are fortunate people to live

in a country in which we have so many freedoms—freedom of speech, freedom of worship, freedom from fear and want.

OUR PEOPLE, TOO, make our country great. If someone is sick or hurt, there you will find friends and neighbors ready to help whenever and wherever they can.

It is true that our country is a land of machines, it is also true that it is a land of beauty. But behind these outward things stand our government, and our people—the people who have lived here and those who have fought to free our country and keep it free.

All these things weave together to form one country, our country, the United States of America!

BLESSING OF THE Prince of Peace Catholic Church and School at Lake Villa Monday night were these high churchmen from the Chicago archdiocese. At left is the Rev. F. L. Corley, St. John the Baptist Church, Chicago; Archbishop Albert G. Meyer, head of all Chicago area Catholics; the Rev. David J. Lynch, pastor of the Prince of Peace Church and the Rev. Joseph T. O'Donnell, St. Celestine Church, Elmwood Park. The school was filled and more than 100 persons could not get inside for the ceremonies.

Hundreds See Archbishop Meyer Bless Prince of Peace School

Hundreds of persons crowded the Prince of Peace Catholic School in Lake Villa last week to see Archbishop Albert G. Meyer of the Chicago archdiocese bless the church and school. He also confirmed 48 adults and 105 children in special services in the church.

There were more than 100 who could not get inside the school during the rites which marked the first visit of the new archbishop to this area.

THE REV. DAVID J. Lynch, pastor of the Prince of Peace church, assisted in the ceremonies.

Blessing of the church and school took place just as the school was preparing to graduate 21 eighth graders as it ends its second year. The building was constructed in 1957 and cost more than \$300,000. It contains eight classrooms, the chapel and nuns' residence. The Sisters of Poor Child Jesus serve the school.

Accompanying Archbishop Meyer to the ceremonies were Rev. Francis Corley of St. John the Baptist Church, Chicago; and Rev. Joseph T. O'Donnell, St. Celestine's Church,

Elmwood Park. Serving as honor guards for the high churchmen were fourth degree Knights of Columbus members.

350-Mile Sports Car Race Dates At Road America

Three hundred and fifty miles of nationally-sanctioned road racing and another 300 miles of intense practice will be run off at Road America, Elkhart Lake, Wis., June 20-21 for the International June Sprints that now have achieved a country-wide prestige.

Not only will racing fans see four different races for sleek, high-powered modern sports cars, but they will also see a unique exhibition race of vintage cars and a colorful Porsche Parade by the Porsche Club of America. The special race for vintage cars of yesteryear will be held at 11:15 Sunday morning and should provide race-goers with an unusual bit of entertainment.

FEATURE EVENT of the International Sprints will be a 35-lap, 140-mile "headliner" slated to get the starter's flag at 3:30 on Sunday in which the most potent machinery in the country will roar around the four miles of twisting asphalt. These will be cars of B, C, D, E, and F-modified classes—the highly tuned speedsters capable of hitting better than 150-miles an hour on the straights and long bends. These cars are the far-famed Lister Jaguars, Ferraris, Corvettes, Porsches, and all.

Two other Sunday races will be 15-lap, 60-mile affairs—one at 1:15 for production cars of F, G, H, I, and J classes and the other at 2:30 for modified cars of Classes H and G.

One race will be held Saturday, an 80-miler of 20 laps for B, C, D, and E production models starting at 3:15.

Four different practice times have been set up for Saturday morning and afternoon and Sunday morning in which drivers can test their cars' speed and cornering abilities to the limit of safety.

Anton Jirka Graduates From Knox College

Anton Joseph Jirka, son of Dr. and Mrs. F. J. Jirka, Sr., of Rt. 4, Antioch, was a member of the senior class receiving a bachelor of arts degree at the 114th annual commencement of Knox College held June 1. There are 143 in the class. Frederick R. Kappell, president of American Telephone and Telegraph Co., gave the Commencement address.

In 1861, Knox awarded Abraham Lincoln his only honorary degree. This Commencement, Knox recognized three distinguished Americans with honorary degrees: Frederick R. Kappell, of New York, for service in industrial-utility development; and two educators: Quincy Wright, of the University of Chicago, author, and professor of international law, and John Roberts Mayor, of Washington, D. C., director of education, American Association for the Advancement of Science.

Gaa Markets New Marine Gasoline

A special unleaded white gas for marine users will be put on the market here by the DX Sunray Oil Co., whose local distributor is John Gaa and Son.

The increased popularity of boating has brought many new opportunities for business in this area Gaa said and his company is looking forward to a much-increased emphasis on outboard motors and more boats especially useful on inland waters.

Gaa is a major supplier of marine supplies in the Chain O' Lakes region, having sold more than 100,000 gallons of gasoline and 3,500 gallons of outboard oil last year. At present, 17 service outlets distribute products marketed by Gaa.

The Antioch News and Lakes Theatre invite Mrs. Anna Stenzel, Wilmet, Wis., and one to attend Sunday, Monday or Tuesday's show on June 7, 8 or 9, at the Lakes Theatre.

CHEVY BESTS

Independent experts and official facts and figures prove Chevrolet's ahead of its field in seven big ways.

BEST BRAKES... In direct competitive tests of repeated stops from highway speeds, conducted by NAS-CAR*, Chevy out-stopped both the other leading low-priced cars—and why not? Chevy brakes are far larger, built with bonded linings for up to 66% longer life. **BEST TRADE-IN**... Check the figures in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two." **BEST STYLE**... Popular Science magazine sums it

up: "The fact is, in its price class the Chevy establishes a new high in daring styling..." It's the only car of the leading low-priced three that's unmistakably modern in every line. **BEST ECONOMY**... No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car. **BEST ROOM**... Official dimensions reported to A.M.A.† make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars. **BEST**

ENGINE... Every motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As Sports Cars Illustrated puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." **BEST RIDE**... You'll be able to tell this yourself, instantly. But Motor Trend magazine expresses it this way: "... the smoothest, most quiet, softest riding car in its price class."

2,197 Kenosha County Children Get Health Shots At Clinics

A total of 2,197 children attended the three-month clinics in Kenosha County to receive shots against diphtheria, whooping cough and tetanus and smallpox, county nurse Isabel Larsen has announced.

Most popular month was March when 1,217 children attended the immunization clinics and other totals show that 178 children received complete protection against all diseases as compared with 173 the year

before. A total of 902 children received "booster" inoculations as compared to 478 in 1958 and 810 children were vaccinated or revaccinated as compared to 575 in 1958.

The clinic costs were paid for by the various townships and villages participating and by the county nurse's office.

FOR COMPLETE immunization, three successive injections of the triple diphtheria, whooping cough and tetanus are necessary and reminder cards were sent to parents whose children missed the April clinic, Mrs. Larsen said.

Reminder cards will be sent to parents whose children missed receiving complete protection and parents are urged to consult their doctor without delay and return the reminder card to the office of the county nurse when the immunization is completed, she added.

The nurse also warned parents that the polio season begins in June in Wisconsin and she noted that the family physician can administer polio vaccine to protect against paralytic-polio-at-all-ages.

ANTIOCH NEWS NAME THE FAWN CONTEST

Rules & Regulations

1. The Name the Fawn Contest is conducted by this newspaper in cooperation with Deer Haven, Fox Lake, Ill., and is open to any child up to and including the age of 16 years.
2. The Contest consists simply of submitting a proposed name for the fawn which is to be identified with this newspaper at Deer Haven. Contestants may enter as many names as they wish, but each name must be submitted separately on the official entry blank appearing in this newspaper or a reasonable facsimile thereof.

Begin Junior Level Courses in 3 Subjects

Harrison Brown, teacher of science and Donald Cramer, teacher of mathematics at Antioch High School, are establishing a high school preparatory course in reading, English and arithmetic.

The course will be open to persons of junior high school level and will begin June 15. Those interested may register beginning June 8, with either of the directors or they may obtain forms from the local grade school or high school offices.

The course will be limited to 30 students. Further information may be obtained from either of the directors or at the ATHS office.

Nancy Rentner to Get BA Degree from Lawrence on June 7

Nancy J. Rentner, 375 Harden st., Antioch, will be among a class of 140 to receive bachelor's degrees on June 7, during Lawrence college's 110th commencement ceremonies on the Appleton, Wis., campus.

The graduation service will have Ben W. Heineman, chairman of the Chicago and North Western railroad of Wausau, Wis., as its principal speaker, while the baccalaureate sermon on the morning of the same day will be preached by President Douglas M. Knight, eleventh head of Lawrence.

Miss Rentner will receive a bachelor of arts degree with a major in biology.

SHE IS A MEMBER of Kappa Delta social sorority which she has served as treasurer and sports chairman. She has been on the executive council of the Women's Recreation association and intramural manager for the same organization. She has worked on the homecoming committee for the student government and participated in the German club, the girls' glee club, and the Messiah chorus. She has also been active in campus newspaper work.

Miss Rentner is a member of Phi Beta Kappa, the nation's oldest scholastic honor society. She was also elected to Mortar Board, national women's honor group in her junior year. Prior to that, she was elected to Sigma and Pi Sigma, undergraduate honoraries.

A national Institute of Health Training grant including tuition has been awarded to Miss Rentner for the Horace H. Rackham School of Graduate Studies at the University of Michigan.

Brush, Palette Club Elects New Officers

The Antioch Brush and Palette Club held its annual election of officers last week and named Claire Gilday as president.

Other officers named were Rosalie Lyons, vice president; Grace Strahan secretary and Ellen McDowell, treasurer.

It was announced also that a showing of paintings by Jacqueline Horton, George Grunow, are now on exhibit at the Colony House at Trevor, Wis.

Piano Recital Thurs.

The pupils of Mrs. Delbert Sherwood will present their annual recital Thursday evening, June 4, at 7:30 p. m. in the Lake Villa Grade School.

Pupils from Lake Villa and the surrounding communities will be participating in this annual event. Several students will receive pins as awards for having played in five or more recitals.

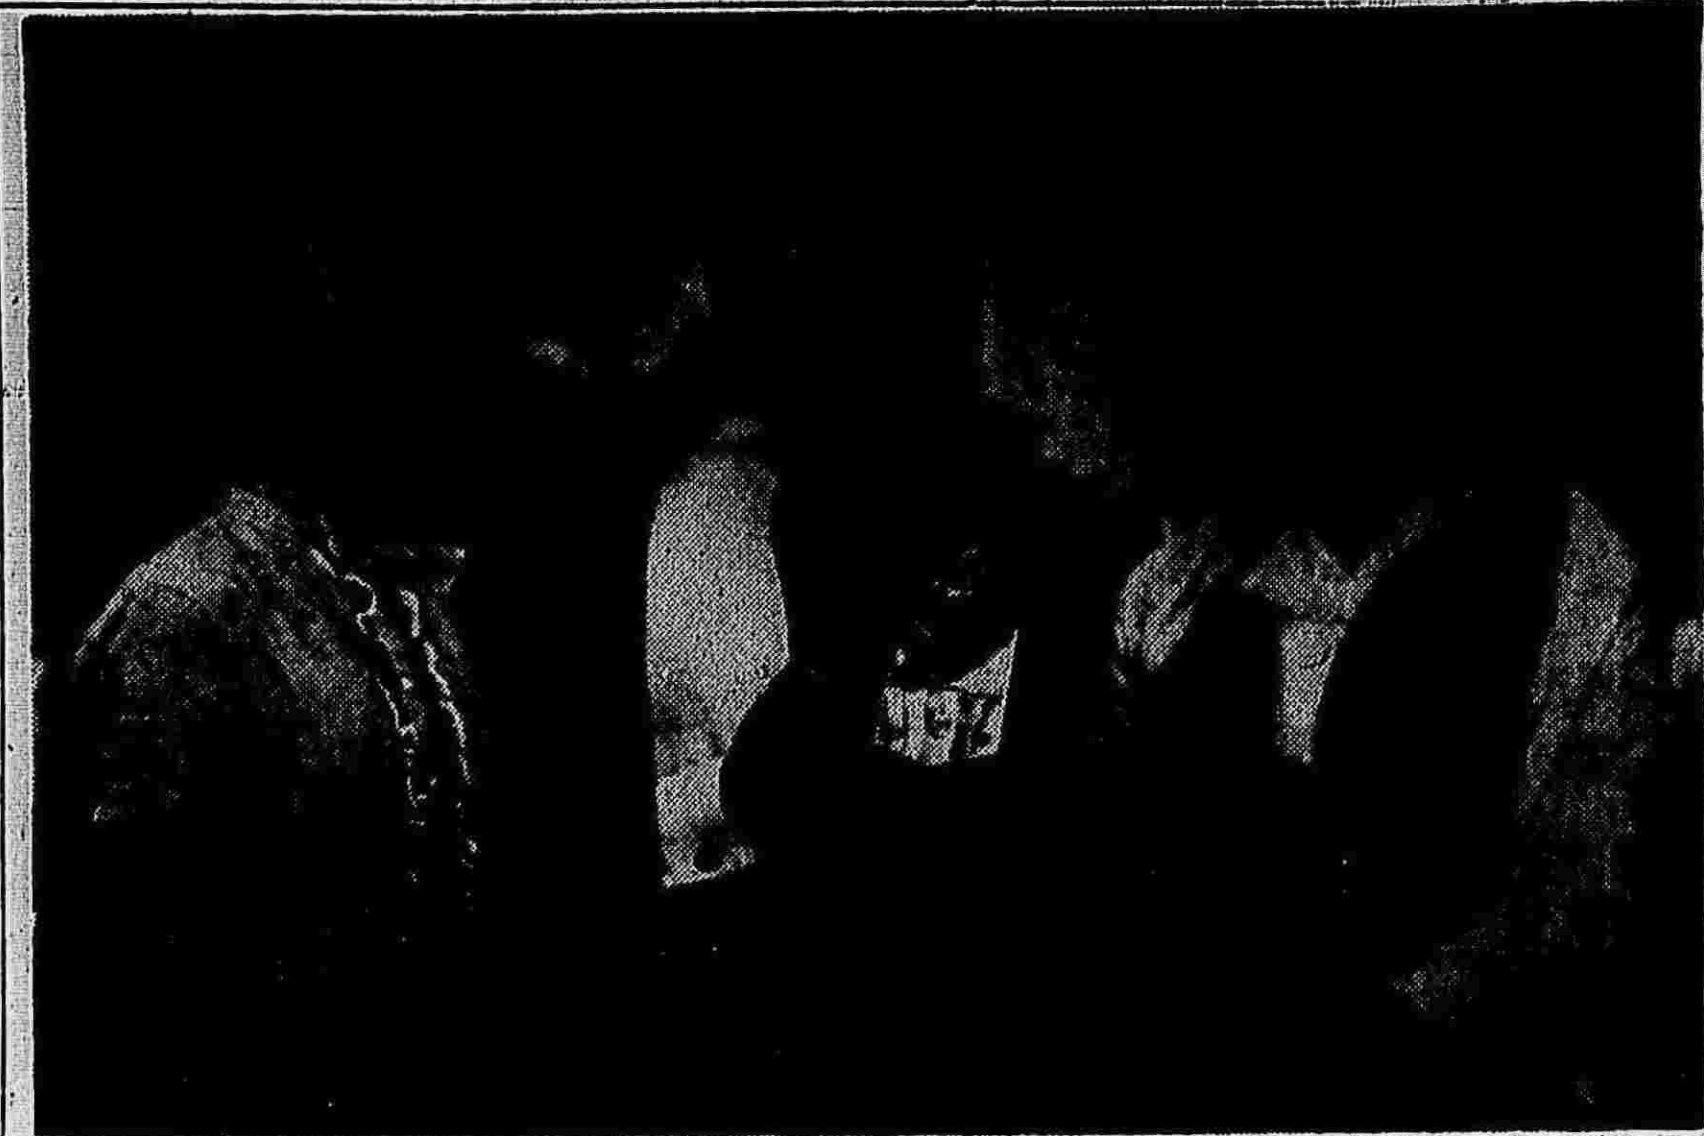

The public is cordially invited to attend.

Channel Lake Club To See Brownies Play

When the Channel Lake PTA resumes its activities in the fall, it will be guided by officers elected at the May 27 meeting in the Channel Lake School.

Mrs. Ray Lasco was named president and will be assisted by Mrs. Fred Whittler, vice president; Mrs. Elmer Eberman, secretary; Mrs. Dolores Eckert, treasurer; Mrs. Cornelius Lulof, parliamentarian; and Mrs. Harold Buell, historian.

The annual Channel Lake picnic, sponsored by the PTA, was held Monday at the Fox River Park with Mrs. George Keulman in charge of arrangements.

500 at Lake Villa Hear Plea For Protection of Our Heritage

An estimated 500 Lake Villa residents heard a detailed description of our priceless heritage—the American Way of Life—Saturday as they paid tribute to war dead in Memorial day services.

The talk, by Melvin E. Colbert, principal of the Lake Villa School, followed a parade including bands and the high-stepping Kadettes drill team.

COLBERT ESTIMATED that 2½ million people have died in wars to preserve our priceless heritage. "Have we paid too much?" he asked. Only you and I can answer the question, he said.

The speaker credited Thomas Jefferson as being mostly responsible for laying the foundations for our American democracy and placed three of his major accomplishments ahead of being president. They

were author of the Virginia bill for religious freedom; founder of the University of Virginia and author of the Declaration of Independence.

THE PRINCIPLES laid down in the Declaration were continued in other basic laws and Colbert said that the result is the American experiment which he noted could be defined in six easy ideas.

"It is the individual that is of extreme worth . . . government is for the benefit of the people . . . the people have a right to determine their own government . . . the people, through government, must guarantee freedom to the individual . . . the people have the ability to govern themselves . . . and government must guarantee all people an equality of opportunity," were the points he listed.

THERE ARE dangers which threaten to destroy the democratic

plan, Colbert said. Communism is one, but there are others including failure of people to vote and lack of patriotism in war and peace.

"If patriotism is good in times of war it is just as good in times of peace. If freedom is worth dying for it is certainly worth living for," he said.

Colbert closed by quoting two of the most impressive definitions of democracy—the Gettysburg Address and the winning essay in a recent "I Speak for Democracy" contest.

Homemakers Meet

Twenty members of the Antioch Homemakers met last Wednesday in the home of Mrs. Frank Hennig, Channel Lake. Mrs. Harry Weiss and Mrs. Andrew Stewart assisted in serving the dessert luncheon.

After a report on the work done for the Cancer Society, cards were played.

Mrs. E. Friedel will be hostess at the next scheduled meeting on June 24, with Mrs. F. Sima and Mrs. James Worswick assisting.

WSSC TO HOLD LAST MEETING

The Women's Society of Christian Service of the Antioch Methodist Church will have its last business meeting of the season at 12:30 p. m. in Wesley Hall on Wednesday, June 3. This will be a Pot Luck Luncheon.

Business for the day, after devotions by Mrs. Walter K. Hills, will be the historian's report, and installation of new officers for the coming year.

SWEETHEARTS, FRIENDS

NAMES OF WAR DEAD from the Millburn area are read off as children from the Millburn school place bouquets on the graves. The children lead the procession through the cemetery following brief ceremonies at which the Rev. Wallace Anderson of Antioch gave the address.

Work For Peace, Rev. Anderson Tells Millburn Memorial Day Crowd

Work for peace as one of the things that really count was the admonition of the Rev. Wallace Anderson of Antioch Methodist Church to those attending Millburn's graveside services marking Memorial Day Saturday.

"We must pause to remember many things," Rev. Anderson said. "We have what we have by sacrifice, suffering and death, and sacrifice, suffering and death will give us what we'll have in the future," he continued.

"IT IS OUR DUTY as God's people to do everything in our power to work for peace," Rev. Anderson said, and he paid a tribute to the late John Foster Dulles as one of the world's most powerful ministers for peace. He was "one man who dedicated his life for this real purpose."

A small crowd of about 30 persons heard the minister plea for them to "remember our obligation to do for our communities and our people the things that really count. To dedicate themselves to the real purpose of peace."

A color guard from the Gurnee American Legion post presented the flag and fired a three-volley salute to the war dead. Following the ceremonies, eight children from the Millburn school led the procession

through the cemetery and placed flowers on the graves of men from the Millburn area who served in the armed forces.

AN OVERCAST sky marked the beginning of the services and a drizzle that became a full-fledged rain brought the grave-marking ceremonies to an end.

The solemn and impressive services were conducted and arranged by Mr. and Mrs. William Paulsen, with the Rev. Lauren Messersmith assisting.

Methodists Set 2-Week Bible School

The Antioch Methodist Church will conduct a daily vacation Bible school for two weeks, beginning Monday, June 8, and running through Friday, June 19.

Classes will be held Monday through Friday, from 1 to 3 p.m., for 3 departments: those who attended, or were of kindergarten age, this past school year; the primary group, grades one, two and three, and the juniors, who were in fourth, fifth or sixth grade in school.

There will be songs, handwork and planned activities for all groups.

Plan July Carnival in Gigantic Venetian Village Celebration

A gigantic Venetian Village Days celebration is planned in the Lake Villa subdivision for July 18-19 week-end with a carnival for all the residents.

There will be games and rides for the children and a big outdoor chicken barbecue on Sunday, says George Sebela, president of the Civic Assn. Cash prizes will be awarded.

SEBELA ALSO announced that block captains already have started on their 1959-60 news drive which will end July 1. Co-captains are distributing house numbers at the same time, he said.

The numbers are for identification only and not for post office mailings. Cement posts with steel signs also will be put up in the housing development to complement a map of the

community recently completed by Norbert Pischke.

Other projects planned include playgrounds and baseball diamond in the association park on Granada and Garcia and spraying of the lake to prevent weeds.

Holy Hour at St. Peter's Catholic Church Friday

A Holy Hour will be observed at St. Peter's Catholic Church here to mark the 15th anniversary of the consecration of the Archdiocese of Chicago to the Sacred Heart of Jesus, and the 60th anniversary of the consecration of the human race to the Sacred Heart of Pope Leo XIII.

By a coincidence, the Feast of the Sacred Heart this year falls on a first Friday and gives an opportunity for adults and children to come out for mass, Communion and adoration in large numbers, says the Rev. Alfred Henderson, pastor.

THE HOLY HOUR will be at 7:45 p.m. and during the hour Rev. Henderson will lead the congregation in the renewal acts of reparation and consecration.

"In view of the present great concern for Christian unity, the salvation of enslaved peoples—especially China—and for world peace, these intentions take on special significance," Rev. Henderson said. He asked that all adults and children of the parish attend the Holy Hour.

Valuable Sewer Plant If Vote Goes Other Way

The village of Antioch will go to court to get necessary land for expansion of its sewer plant as it refuses to pay the \$20,000 price set on the land by the owner.

To get the land, the village will put the requested amount in escrow and then pay what the jury awards, hoping the jury will set the price somewhere near the appraised valuation of not more than \$12,000.

"It'll never go for that much money," (the \$20,000) commented Trustee John Blackman with a shake of the head.

"If it does, we'll have the most valuable sewer plant in the state," replied Trustee Ernest Glenn.

2 National Barn Dance Shows At Kenosha Saturday Night

Wilson Sisters,

Popular Stars of WLS National Barn Dance, who will appear in person Saturday evening, June 6 at the Kenosha High School auditorium.

The Kenosha Lions Club will sponsor personal appearance and national broadcast programs of the popular WLS Barn Dance at the Kenosha High School auditorium Saturday evening. Two complete performances will be given, and due to each program being nationally broadcast at the same time, each performance will be different in entirety.

The shows and broadcast pro-

grams will be at 7:30 and again at 9:30, each lasting one and one-half hours and will bring to Kenosha in person, such outstanding Barn Dance stars as Bob Atcher and Maggie; Homer and Jethro; John Dolce and his Square Dancers; The Wilson Sisters; Lee Morgan and his Mid-westerners; Sage Riders; The Virginia Hams and many others that are familiar to WLS listeners.

For the local convenience of persons wishing to secure tickets in advance for either of the shows, arrangements have been made with Ray's Shell Service, Lake & Broadway, where tickets are now available until Friday, June 5, after which tickets will be available to the Kenosha high school box office.

MONEY STAYS HERE

Part of the money collected here in next Friday's Salvation Army Doughnut Day sale will stay in the community to be used by the local service unit. The service group takes care of emergencies or disasters in the area.

The Antioch Woman's Club will handle tag sales in the village of Antioch with Mrs. Norman Jedele as chairman and Mrs. Helen Burke will be in charge of sales in the outlying areas.

DEATH NOTICES

MARY C. PENNINGTON

Mrs. Mary C. Pennington, 76, of 8411 Tallafiero Ave., Tampa, Fla., died Saturday at Victory Memorial Hospital in Waukegan, after two days illness there.

She was born Oct. 17, 1882 in Minneska, Minn., and her family moved to Chicago when she was six and later to Antioch. She moved to Florida in 1956.

Survivors include her husband, Burt, a retired salesman, a brother, Jack Wolff of Grass Lake Rd. Antioch, with whom they had been living here. Several nieces, nephews and cousins also survive.

Funeral services were held Tuesday at Strang Funeral Home, Antioch, with the Rev. Edmund Hood, St. Ignatius Episcopal Church, officiating. Burial was in Grass Lake Cemetery.

JOSEPH C. KRAFT

Joseph C. Kraft, 62, Rural Salem Twp., died Wednesday, May 27, at Downey Veterans Hospital, where he had been confined the past 19 days.

He was born Feb. 20, 1897 in Chicago. He was a resident there until moving to Trevor 10 years ago. He worked as warehouse man at Navy Supply Station at Great Lakes. His parents, Joseph and Kate Kraft, built the first house after the Chicago fire, at Oak and Franklin Sts., Chicago.

He served during World War I in the navy. He is survived by one sister, Mrs. Josephine Elwart, Trevor.

Funeral was held Friday at the Strang Funeral Home, Antioch, Rev. R. P. Otto, pastor of Peace Evangelical Lutheran Church, Wilmet, officiating. Burial was in Waldheim Cemetery, Forest Park.

MAUDE H. KENNEDY

Funeral services for Mrs. Maude H. Kennedy, daughter of pioneer residents of this area, were held Tuesday afternoon at Strang Funeral Home, Antioch. Mrs. Kennedy, 77, of 926 Grove St., Waukegan, died

Saturday morning at Victory Memorial Hospital, Waukegan, after a seven month illness.

She was born Oct. 27, 1881, in Antioch Township, a daughter of John Hughes and Eliza Jane Strang Hughes of the Millburn Area. She married Frank D. Kennedy in 1902 at Millburn and they moved to a farm on Rt. 45 north of Hickory Corners. They operated the farm until 1937 when they retired. Mr. Kennedy died in 1949 and Mrs. Kennedy moved to Waukegan.

Survivors include three sons, Roy G., Orlando, Fla.; Richard H., Baltimore, Md.; and Harold F., Evergreen Park, Ill.; two brothers, Guy of Antioch and Carl of Lake Villa; three grandchildren and two great-grandchildren.

Officiating at the funeral was the Rev. L. H. Messersmith of the Millburn Congregational Church. Burial followed in Hickory Union Cemetery.

JUANITA LEE BRANDING

Juanita Lee Branding, 2½, of Petite Lake Park Subd. near Lake Villa, died Tuesday, May 26, when she wandered away from home and drowned in Petite Lake. The Lake Villa Rescue Squad was summoned and the child was pronounced dead on arrival, despite the mother's efforts at artificial respiration.

She was born Nov. 15, 1956, in Hinsdale, and lived in Naperville before moving to Petite Lake in June of 1958.

Her father is an employee of the Tonyan Construction Co. in McHenry.

A Budget Cut! It's Small, May Be More

By State Rep. Paul Simon
For the first time in my three terms in the state legislature, the House voted to cut a budgeted appropriation—but further moves to cut the budget can easily collapse unless there is considerably more public support.

The actual reduction was small, \$12,500. In a budget of \$2.7 billion that is almost nothing.

BUT THE SIGNIFICANT thing is that it happened. And if it can happen on a small amount it can happen on large amounts.

I think I should point out that those of us advocating budget cuts feel that the schools and mental hospitals should receive adequate funds, but the many frills which can be found in other portions of the budget should be cut.

Those of us attempting to do this have been called by some newspapers "the economy bloc." This is a group of legislators from both the Republican and Democratic parties. We do not feel this should be a partisan thing. But in the first phase of this struggle we faced the opposition of most of the party leadership on both sides; that means we face a real up-hill battle.

"THE \$12,500 reduction was introduced by Rep. G. William Horsley, Republican, of Springfield. The only one of the five party leaders of either party to support his motion was Rep. William Clark, Democrat, of Chicago.

I should add here that those opposing economy moves are just as sincere as those of us supporting them. Party leaders who support the proposed appropriations maintain that we must provide government with adequate funds. We agree on that. The disagreement comes on what is "adequate."

If by going over appropriations carefully we could reduce them by only one per cent (and I think a greater saving could be made), that would mean a saving of \$27 million. That is no small item.

BUT THE SHOCK of losing this battle for the \$12,500 was felt quickly. Their one-time loss—and the public's gain—will have many officials much more aggressively contacting legislators in behalf of full appropriations.

That means the future of further cuts is not bright.

Officials who contact legislators are not only personal friends of the legislator, but in many cases they have powerful political friends in the lawmaker's home district; and in some cases it is the simple, crude matter of using the club of patronage to get a vote. That is done by offering job openings to friends a legislator might name or by a threat to fire an employee from his home district if the legislator doesn't vote "right."

THE ONLY THING that can overcome all of this is deep personal conviction on this matter by a legislator or a great deal of mail from the people at home.

At this stage, whether appropriations are cut is largely in the hands of people like you who are reading this. If you come through with some mail, I think there will be more cuts.

If not, you had better start digging more deeply into your pocket.

Trevor Fire Ladies Elect New Officers

Mrs. George Rupp, Sr., has been named president of the Trevor, Wis., fire department auxiliary and other officers named at the May meeting are:

Mrs. Al Hansen, vice president; Mrs. Al Johnson, Jr., secretary and Mrs. Melvin Glenmaker, treasurer.

The auxiliary will hold its semi-annual meeting in June with the fire department and will purchase a 50-star flag when the design is approved by Congress. From proceeds of the May 2 bazaar, first aid kits will be purchased for the fire house and fire truck.

The Antioch News and Antioch Theatre invite Marie Edlmann, 892 Main St., Antioch, and one to attend Sunday, Monday or Tuesday's Show on June 7, 8 or 9, at the Antioch Theatre.

Last Day of School for Mrs. Ferry After 45 Yrs.

By Mrs. Herman Frank
Wilmet Correspondent

Forty-five years of teaching without a single day's absence because of her own sickness is the record that Mrs. Laura Loftus Ferry, teacher at Woodland Grade School, will complete when she ends her duties June 1. Mrs. Ferry, wife of Raymond Ferry, has submitted her resignation to the Woodland School Board to retire from teaching.

Mrs. Ferry has been a teacher in Lake County Schools 42 years. In 1952 she and Mrs. L. H. Messersmith were subjects of an article in The Waukegan News-Sun at the time the Druce Lake two-room school where they taught was closed.

MRS. FERRY WAS born at Wilmet, Wis., Feb. 28, 1888. She attended a one-room school at Oak Knoll, was graduated from Wilmet High School in 1908. In high school she studied a curriculum which provided her with basic essentials for becoming a teacher. All six members of the graduating class became teachers.

Mrs. Ferry started her teaching in a one-room school west of Kenosha, at the age of 17. Her 42 years of teaching in Lake County included six years at North Prairie; seven years at Wadsworth; four years at Millburn; four years at Vickerman school west of Lake Forest; nearly two years at Druce Lake; and seven years at Woodland School.

HER SMALLEST SCHOOL was seven pupils at Vickerman School and her largest class 50 pupils at Millburn. She attempted to retire once before, but the big demand for teachers and her qualifications and experience kept her in the classroom.

Mrs. Ferry enrolled in college to further her teaching techniques after she was married Nov. 5, 1912 to

Raymond Ferry. Since their marriage they have resided on the Ferry farm where Ferry's ancestors bought from the government in 1837. It is situated on Green Bay road at Ninth street, west of Winthrop Harbor.

"MY HUSBAND HAD two well established habits when we were married—his fondness for ice cream which never appealed to me, and his love of travel, which is much to my liking," she said. The Ferry's, since their marriage 47 years ago have motored through 40 of the 50 states. Last summer they traveled to Alaska by train and boat. They have traveled in Mexico also.

Mrs. Ferry has been active in various educational organizations during her long career. She has been an active member of the Eastern Star since 1918. Her hobbies are knitting, sewing and cooking.

Said Mrs. Ferry: "It is quite a contrast in thinking of teaching in 1906 and now. I can recall when my responsibilities included janitor service, cook, secretary, etc., beyond the regular responsibility of teaching. Today with all of the modern conveniences and services available, a teaching assignment is somewhat easier."

North, South County Join GOP Workshops

North Lake County Republican Work Shops, Inc., are joining with South Lake County in a Leader's Training School at the home of Mrs. Robert B. Badger of Libertyville.

Those attending from North Lake County are Mrs. Mary Sroka, Miss Sonia Bedrosian, Mrs. Hans Hanson, Mrs. Telford Gorr, Mrs. Francis (Helen) Burke and Mrs. Ernest Derreberry, president of North Lake County Republican Work Shops, Inc.

THE GOP WORK Shops objectives are:

Development, through the Workshop technique of group discussion, of an increased individual sense of responsibility for government, Promotion of a greater awareness of the necessity of the political party as an instrument through which representative government is achieved, education of members in the mechanics of politics and encouragement of active participation, as individuals, in Republican party meetings, conventions and campaigns.

TRACKSTERS REST AFTER completing the best Antioch cinder season in 12 years. Many new times and distances were set for the conference, team and local field this season and two men went to the state track meet. The squad: (from right) first row, Ted Rodakovic, Wes Merryman, Chris Davis, Walt Rosquist, Jim Prossie, Steve Lutton; second row, Coach Robert Walther, Ken Trueson, Don Eggleston, George Greene, Tom Burda, Ken Alhouse, John Sershan, Lance Kelsler, Brian Elliott, Coach Bill Baird; back row, Bob Carlquist, manager, Rich McCarthy, Vince Nausedo, George Anzinger, Richard Prange, Dan Seyfarth, Martin Guertler, Oscar Pills, Ted Schuessman, manager.

Season Ends, But . . .

All But One Letterman Back For Sequoit Ball

Antioch's Sequoit baseball squad, which ended the season with a disheartening 5-12 record, should show much promise for next year with nine juniors and two freshmen returning as lettermen.

The only senior graduating is Russ Cote, voted honorary captain, who saw action only about a third of the season when he suffered a severely sprained ankle.

COACH LARRY LEON watched his team begin the season with hopes of seven lettermen but saw it dwindle even before the schedule began. The team that finished second in the Northwest Conference the year before could finish only in a tie with Warren for fourth this year with a 4-8 record.

In year end activities, catcher-fireball Dick Gudgeon was named the team's most valuable player. Pressing him for honors was Pitcher

Don Wiegel who hurled in more than half of the 17 games.

DISMAL POINTS in the season were the 25-10 and 21-3 pastings inflicted by Fenton and Ela-Vernon, both on the Antioch diamond. The team also was victim of a 4-0 no-hit game at the hands of Grayslake in district play after the Sequoits had trimmed Round Lake the day before by 2-0. Both games were the only shut-outs in which the Sequoits played.

Winning letters, besides Cote and Gudgeon, were Jerry Dahlgren, third baseman and pitcher; Chip Eberman, first baseman and outfielder; Larry Loecher, outfielder; Sig Nielsen, pitcher; Chuck Schuth, infielder; Ken Stepien, infielder; Wiegel, pitcher; Dick Wolf, outfielder, and Freshmen George Hogan, outfielder and Joe Pleviak, infielder.

Taxpayer Group Against CTA Help

The Taxpayers' Federation of Illinois has voiced its opposition to bills before the General Assembly which subsidize the Chicago Transit Authority by a 1 cent per gallon increase in the Motor Fuel Tax and a property tax of 5 cents per \$100 of assessed valuation. Maurice W. Scott, executive secretary, has announced.

S. B. 896 (H. B. 1470) apply to Cook and 14 other counties, because they would permit counties with a population of 100,000 or more to levy a tax of not to exceed 1 cent per gallon on motor fuel used in motor vehicles upon the highways of such counties. Proceeds of the tax would be used by the county to promote more efficient use, relieve congestion and lessen wear, tear and deterioration of the public highways.

THE BILLS WOULD also permit acquisition of existing interurban railroads, or those parts of such railroads lying within the county, or payment to any municipal corporation owning and operating a local transportation system for public service costs of purchasing, leasing, etc., or otherwise acquiring facilities used and useful for local transportation purposes.

Beginning Typing at AHS Summer Term

A summer class in beginning typewriting at Antioch High School will start June 15 and will run until July 24, announces Ward Lear, instructor.

The class will meet from 8 to 10 a.m. Monday through Friday. One semester of high school credit will be given upon successful completion of the work. The course can also be audited for non-credit by anyone desiring, Lear said.

There will be a tuition charged to cover costs and anyone interested should contact the high school office as soon as possible.

Pfc. Kadlec on Big Marine Maneuver

Marine Pfc. Howard H. Kadlec, son of Mr. and Mrs. Edward J. Kadlec of Loon Lake, Antioch, took part in Operation "Twin Peaks" on California's southern coast from May 17 to June 2, with Marines from the First Division at Camp Pendleton, Calif.

Air and ground forces were launched against aggressor forces involving the newly-redesigned helicopter assault carrier USS Princeton from which attacking troops launched assaults at inland targets, in the latest employment of the Corps' vertical envelopment doctrine.

VALUE-RATE the ROCKET

The man who knows value goes Olds!

More and more medium-priced car buyers who want the most for their money are joining the swing to Olds.

Why? Because they figure up all the extra quality features and conveniences Olds has as standard equipment. They carefully consider the economy of the Rocket Engine . . . the low-cost maintenance of an Olds . . . its higher resale value. But most of all they ask themselves,

"Is this the kind of car my family and I will be proud to own . . . one that will give us the full measure of fun and comfort we want . . . is this the car whose style will stay in style?"

The overwhelming "yes" can be found in the zooming sales success of the '59 Oldsmobile. See your Oldsmobile dealer today . . . Value-Rate the Rocket!

More Speed, Thrills in Boat Races Sunday

The Chain O'Lakes Boat Club will hold its second race of the season next Sunday at the Waltonian Hotel docks on Fox Lake.

There will be races in the four sanctioned classes plus the service/runabout classes. Babe Ambacher, commodore of the club, said there may or may not be races in the outboard classes depending on the number of entrants. Several Antioch area owners and drivers will appear again.

There will be at least three more class "E" racing runabouts this Sunday to give added competition to Tracy Hill, winner of the

May 17 races. Also on hand will be the "Widowmaker" fastest on the water in the last race.

The program is scheduled to start at 2 p. m. and according to Ambacher, the club has reduced the number of trophies for this meet. The trophies will be larger than in the past but only first, second and third place will be honored.

The club is expected to discuss final plans for the Sunday event at its regular monthly meeting Saturday night at the Waltonian Hotel.

The group will see a film following the business meeting. The film, provided by Johnson Motors, covers a fishing trip down the Amazon River.

More than 1,000 boat racing fans saw the first races last month and were treated to an afternoon filled with action. Ambacher promised more speed and more boats in the second races this week.

HAVING A CORNER on second spots are these members of Ted's Radio and TV bowling teams. The men, (from left), Ken Nicpon, Frank Norris, Ted Palmer, Emil Wesa and Val Nicpon; the women, Myrtle Sampayo, Violet Kaywell, Dorothy Wertz and Agnes Palmer. They took second place in every event in which they participated.

When Everybody Is Second, Who Is Bowling Champion?

Ted's Radio and TV did not pick a winner in its first time out as sponsor of bowling teams but if all the money was placed on runners-up it would still come out ahead.

The five-man team which rolled in the Wednesday Night Businessmen's League at the Antioch Bowl this year battled hard and did move up steadily in the standings but could not overcome the Gaston Printing Co. squad.

On Thursdays, four gals sponsored by Ted's moved up in the standings but at the end of bowling last month found themselves in second place behind The Advertiser.

IN THE JUST-concluded Antioch News individual men's bowling tournament, Ken Nicpon from Ted's Wednesday league entry, burned the alleys over six weeks to beat all competition except veteran Art Fortmann to end second.

The unusual lineup of second places possibly has never been or ever will be matched in this area bowling and sponsor Ted Palmer of Trevor, Wis., is just about as happy as if someone had won first place.

BUT IF EVERYONE is tied for second, just who is champion of this aggregation of bowlers?

Sponsor Palmer was interested too so a roll-off was held last week at the bowling lanes. The girls were given a 150-pin handicap and made things look rough for the men

in the first set. Down by only 26 pins, the gals—without handicap—came within two pins of the men in the second game. And so going into the final grueling set of frames the men had to pick up more than 122 pins to win.

The men proved that they were champions but only by the stellar bowling of Val Nicpon who had to roll a 276 game and take the final set by 142 pins and victory in the match.

And now, with the practice in for the first year and with enthusiasm up, bowling fans here can look to a good performance from Ted's Radio and TV sponsored teams next fall. Maybe they'll take first in every try.

Summer Bowling Leagues Forming

Summer bowling leagues at the Antioch Bowl will begin next Monday, announce owners Jack Sampayo and Mike Schamberger.

Most of the leagues will begin at 8 p. m. but during the first week, keggers should gather at 7:30 p. m. to elect officers and form teams.

THE TEENAGERS league will form on Monday, ladies' league on Tuesday; summer mixed league on Wednesday and men's summer league on Thursday.

There are still openings for bowlers or teams in the leagues and bowlers who would like some "cool summer fun" should sign up at the Antioch Bowl. The bowling alley is air conditioned, the owners point out.

GAA Trims Alumni By Big 12-5 Score

The G. A. A. All-Stars beat the alumni of ATHS in a baseball game last week with a final score of 12-5.

Pitching for the alumni was Shirley Ross. Playing for the alumni were: Marlene Peters, Donna Schroeder, Shirley Vaughn, Shirley Ross, Diane Domek, Joanne Poulos, Pat Dressel, Garnet Pullen and Willie Schmidt.

Pitching for the All-Stars were: Cleon Schley and Ione Cribb. Players on the All-Star team were: Cleon Schley, Sandy Barnstable, Ione Cribb, Mary Lou Geist, Judy Maleck, Bunny Schley, Sharon Dittman and Elaine Ozga.

Letters Given To 27 Spring Sports Athletes

Awards for athletes who competed in the three spring sports in Salem Central High School's successful spring season have been made by Dorm Grams, athletic director.

The lion's share of the awards in varsity sports went to 14 regulars in baseball including three first-time letter winners. They are Ken Muhlenbeck, Jim Westman and Al Weis. Westman is a sophomore, Muhlenbeck a senior and Weis a junior.

NINE THINCLADS won track awards including three first-time winners. They are Neal Meier, a junior and sophomores Al Easterday and Ken Finney.

In golf, four varsity awards were made—to Leroy Leach, sophomore captain, Ken Parker, a junior and freshmen Bruce Bojeson and Bill Couch.

In addition to the major awards, numerals were given to 39 trackmen and 22 baseballers.

MAJOR AWARD winners in baseball were: Reynold Davis, Gary Doerflinger, Dave Ellis, Fred Lentz, Dave Erickson, Ted Weidner, Mark Krahn, manager, Dave Willems, Wayne Remus, Ron Yates, and Gene Schulz. There are six seniors on the baseball squad which compiled an 8-3-1 record this year but Coach Bill Becker should find little trouble in filling the gaps with a fine freshman squad.

Award winners in track were Rick Thomas, Cleo Varvil, Don Kramer, Jim Long, Gene Woerzgar and Andy Aguero. Four of the nine letter winners are seniors.

In golf, coach Grams will have no trouble fielding a squad for the next year with only one junior and one sophomore on the crew. All the other award winners are freshmen.

Good Crowds, Weather Grace Pool Opening

After two days of operation at the Antioch Swimming Pool, Ken Smouse, manager, reports large crowds and good weather. Smouse said the enlarged patio area and the addition of the windbreak will be a big help in drawing crowds this season.

Through the assistance of the student council of the Antioch High School, a pop corn machine has been installed at the refreshment stand. The new stand, open to swimmers and spectators, will serve popcorn, candy, soft drinks and potato chips.

Registration for the swimming classes began today at the pool and will run through June 6.

Adult swimming lessons will be given from 10 to 11 a. m. on Fridays, said Smouse. Baby sitters will be available for young mothers at that time. The class is also open to upper age high school and college students.

Ideas for Sportsmen

When cooking outdoors, make your fire as small as possible—and of hardwood. Hardwood, such as oak, maple, walnut or birch, smokes less and the coals last longer. Evergreens are good fire starters, but are no good to cook over because of their pitchy smoke and because their coals don't last. Wait until the fire has burned down to coals before starting to cook.

After cooking, let's remember to burn or bury refuse and pour water over the fire until it is soaking wet. Keep the fire safe—and the camp site clean!

Board Thinks Pan-Am Game Shooting Range Fine Thing for Antioch

The village board has endorsed the money-raising project for a shooting range in Waukegan for the Pan-American games as "a benefit for the whole county."

It urged persons in the town to be among leaders in contributing to the \$85,000 needed for construction of the range. Contribution should be sent to Waukegan, the board said.

After the range is no longer needed for the games, it will become public property and be available for use for police departments and public shooting.

Troop 92 Paper Drive To Be Held Saturday

The Indian dance team from Troop 92 which performed at the Antioch Grade School went to River View last Tuesday night.

Troop 92's monthly paper drive will be held on Saturday, June 6. It was not held on the last Saturday of the month, as usual, because of the holiday. Anyone having paper in out-lying areas please call Antioch 856-M or 641-J, or bring your paper to the Scout House.

To Increase Police

Increased populations and summer traffic will cause the village of Antioch to hire another full time policeman. The board Tuesday night approved the hiring and turned the job over to the salary and police committees to work out arrangements. Herman Holbek, chairman of the police committee described the traffic problems last weekend as "terrific" in calling for the additional man.
